Maitri girls don't just hold impressive marksheets—they carry the pride of having overcome, endured, and achieved. Their success is a celebration not only of marks, but of mindset. It's a reminder that when girls are supported and believed in, they rise—and take others along with them.

At Maitri, we believe that every aspiration is important. The community today shines beautifully with a blend of girls from various Delhi Govt schools and their alumni who are inspiring their juniors as a role model.

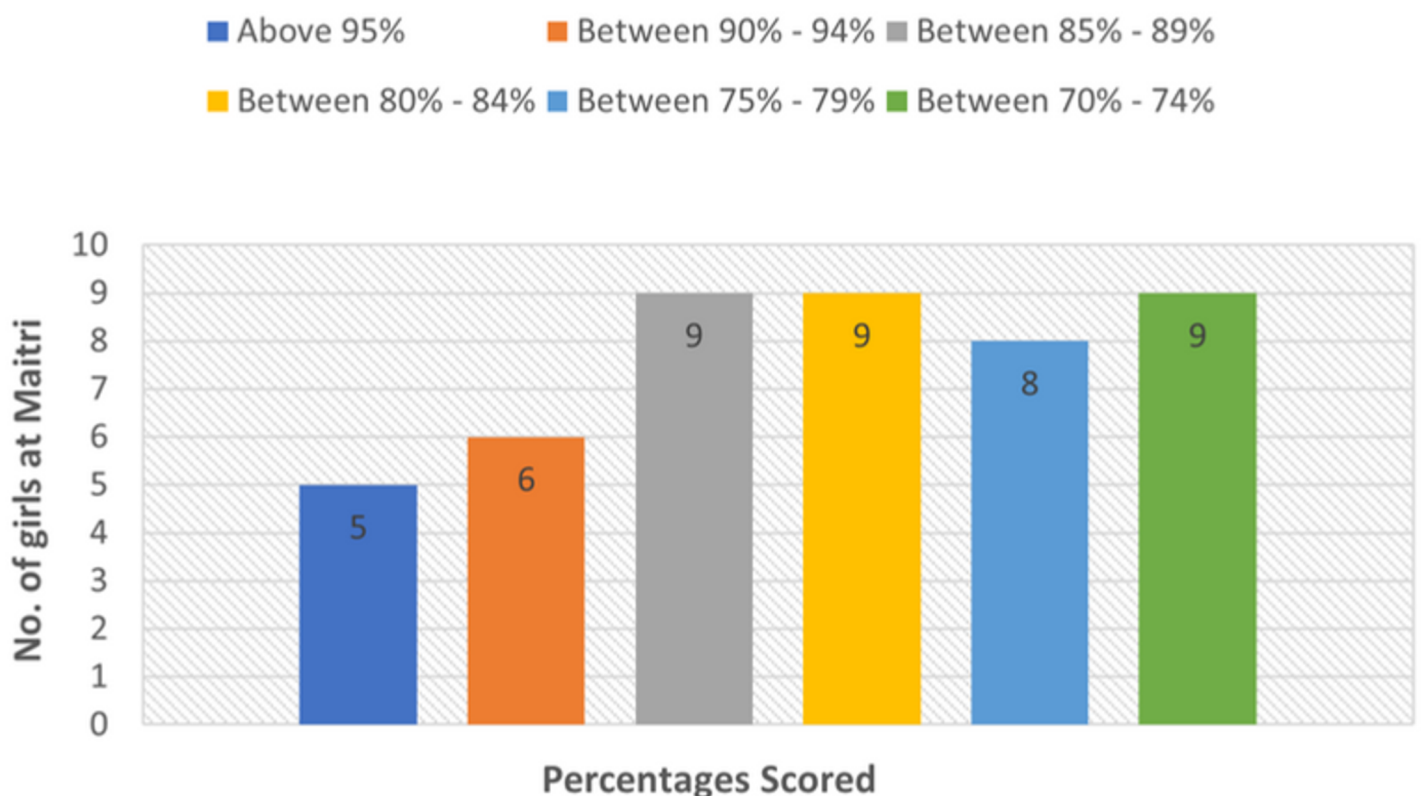

Below is a snapshot of overall summary.

COME BE A PART OF MAITRI'S JOURNEY

As our girls step beyond the school gates into a new chapter—whether transitioning from Class 10 to Class 11 with chosen subjects, or embarking on their journey into higher education filled with dreams and determination—they do so with courage, hope, and the need for continued support.

At Maitri, we see ourselves as opportunity catalysts. We aim to map scholarships for the deserving and the under-resourced, curate internship opportunities that prepare our girls for the world of work, and provide mentorship that helps them shine in their chosen paths.

We invite you to walk alongside them. Write to us at maitri.aspire@gmail.com and share how you'd like to be part of their journey.
